

## PRODUCT TERMS

### About this Factsheet

This factsheet should be read with the General Terms & Conditions For Savings Accounts as together they explain how your savings account works. It's important to do this before you decide to open the account, and to keep these for your records. If there's any difference between the two, your Product Terms take priority as these are specific to your account.

The Financial Conduct Authority is a financial services regulator. It requires us, Yorkshire Building Society, to give you this important information to help you to decide whether this account is right for you. You should read this document carefully so that you understand how your product works, and then keep it safe for future reference.

Please note that we may change the terms of the account, the interest rate and our charges relating to your account for certain reasons. The General Terms & Conditions For Savings Accounts set out those reasons and how we will notify you of the changes.

For full details of our charges and fees, please refer to our 'Charges and Fees Information' leaflet, which we'll send to you when you open your account.

## IMPORTANT INFORMATION

### Tax

It is possible that taxes and costs may exist that are not paid via or by us. All savers should declare interest earned when making a tax return. It is your responsibility not ours, to make this declaration.

### Your right to cancel

If you change your mind within 14 days of opening, you can cancel your account. We'll help you switch to another account or refund your money along with any interest you've earned. There's no notice period or charge. Should you wish to cancel the account within this period, please write to Yorkshire Building Society, Yorkshire House, Yorkshire Drive, Bradford, BD5 8LJ or call 0345 1200 300.

### Your money is protected

Your eligible deposits held by a UK establishment of Yorkshire Building Society are protected up to a total of £85,000 by the Financial Services Compensation Scheme, the UK's deposit guarantee scheme. This limit is applied to the total of any deposits you have with the following: Yorkshire Building Society (including any deposits linked to an offset mortgage through our subsidiary Accord Mortgages Limited), Chelsea Building Society and Norwich & Peterborough Building Society. Any total deposits you hold above the limit between these brands are unlikely to be covered. For further information please call us on 0345 1200 100, ask at your local YBS branch, or visit the FSCS website at [www.fscs.org.uk](http://www.fscs.org.uk).

### Yorkshire Building Society Charitable Foundation and Small Change Big Difference® scheme

The Charitable Foundation is independent of the Yorkshire Building Society and supports registered charities that our members and colleagues care about. The Charitable Foundation can only continue to do this with the help of the Society's customers who take part in the Small Change Big Difference® scheme. You can assist with that vital work by agreeing to join the scheme, which means that you donate the pence amount of your annual interest (i.e. up to a maximum 99p) to the Charitable Foundation once a year on the same date as interest is normally credited (for monthly interest accounts the donation is made in June). Your local branch or agency will be happy to talk to you about this when opening your account or you can find out further information and details of charities that have been supported in your area online at [www.ybs.co.uk/charitablefoundation](http://www.ybs.co.uk/charitablefoundation).

### Protecting your interests

To help protect the Society's mutual status, all new customers, for the first 5 years of membership, have to assign any windfall conversion benefits which might be paid to the Yorkshire Building Society Charitable Foundation. What this means is that should any event take place which results in conversion benefits being paid, anyone who has been a member for less than 5 years would not receive the benefit. By opening this account you are agreeing to be bound by the terms of this.

### Not happy with our service?

If you would like a copy of the leaflet or if you wish to make a complaint, please contact any of our branches or call us on 0800 056 5252. If we cannot come to a resolution to your satisfaction, you may have the right to refer the matter to the Financial Ombudsman Service, of which we are a member.
